

MEET THE TEACHER

Mrs. Stephens

Welcome to 1st grade! After moving all the way from Ohio, I could not be more excited to get to know you this year!

EDUCATION

Working with children is the most rewarding profession! I am happy to share with you that I received my degree in Music Education from Capital University in Ohio. After working as a preschool music teacher and a general preschool teacher, I went back to school and received my 2nd license in Early Childhood. I can't wait to work with your child!
