Sight Word List & Sentence Assessment Sheets

www.mrsfreswhatersclass.com
I use these assessment sheets to assess my students weekly. They simply begin with a word list. Once they "master" the word list (100% accuracy 2 weeks in a row) I move them onto the sentences to build their fluency.

After they have achieved 100% on all word and sentence lists, I move them onto a new list. Due to the fact I teach 2nd grade most of my kiddos begin at the primer level.

I hope these assessment help make your weekly/monthly sight word assessments a little smoother.

These sheets were adapted from the word lists found on Mrs. Perkins Site.
