Tasty Tray

May 2022

Welcome to the May *serv*ing of The Tasty Tray! Here we will be *serv*ing updates pertaining to the Dorchester School District Two and Sodexo food service partnership. The Tasty Tray will *serv*e up important food service news, team appreciation, and nutritional highlights!

Sodexo has had an amazing year serving the Dorchester School District Two. Our wonderful cafeteria staff continues to show that anything is *popsicle* with teamwork and a positive attitude. The cafeteria staff served our students through *high tides* and *low tides* this year and deserves *waves* of appreciation.

Sodexo will be feeding students who participate in DD2 summer programs. Sodexo *shore* can't wait to *sea* some of you this summer and everyone else at the start of 2022-2023 school year!
