

BEAK IN A BOOK!

Calling all Sandpipers....

Our new reading initiative this year will be “Getting Caught with your Beak in a Book”! The bulletin board across from the multipurpose room will be dedicated to displaying pictures of students who have been caught with their beak in a book (nose in a book reading). We will also feature students’ pictures on the morning show and on the T.V. in the front lobby.

HERE’S HOW YOU CAN HELP GET THIS INITIATIVE

STARTED... Please take pictures of your children with their beak in a book at home! Email those pictures to your child’s teacher and they will upload them so they can be printed for our bulletin board!

Thank you for your support!!!
