Dear Senior Parent(s)/Guardian(s):

We will offer Extended School Year (ESY) to a select group of seniors. (ESY) is designed to benefit students who were deficient in only a few class standards and need a brief re-teaching of certain aspects of the curriculum to earn the class credit. **To be eligible for Extended School Year, the student's final course average must be 59 or lower (failing) and by recovering one or more quarters to a 60, the final course average will be passing. Seniors are allowed to complete recovery for any quarter. Please note that students are not allowed to recover exam grades.** This program is not to be mistaken for Summer School. The students in ESY will work through Unit Recovery using the Apex Learning system and/or any coursework. The normal code of conduct will be in place in regards to student behavior and **daily attendance will be required.** Senior Extended School Year will be held from May 14, 2022, to May 24, 2022 at 6 pm. In order to participate in the graduation ceremony on May 28th, all coursework must be complete by **Tuesday, May 24, at 6:00pm.** Students who have not completed coursework by that time will be required to enroll in summer school in order to graduate in the **summer** graduation ceremony.

Seniors meeting the enrollment criteria who wish to participate in Extended School Year should fill out the application here - <https://bit.ly/ARHSESY22>. If you have any questions, please contact Ebony Summers-Fogel (esummersfogel@dorchester2.k12.sc.us or 843-695-4900 extension 52141).
