The Gator Speaker Series is a College and Career Readiness initiative at FDES. We want to showcase 23 (or more) guest speakers each Early Release Day beginning in November.

The focus will be College and Career Readiness by having guest speakers discuss career pathways and connectivity to current issues or career opportunities.

A general outline for your session can include:

- I. Introduction
- II. Educational background
- III. Career Preparation
- IV. Career field
- V. Job responsibilities
- VI. Current issues
- VII. Opportunities
- VIII. Questions

Speakers can commit to one day or up to six days. The speakers can share the same information in different classes throughout the school year.
