Garden Posts ... Watch Your Love Grow

Fun science fact: Wildflowers germinate in 2-3 weeks and bloom in about 45 days!

Show someone special how truly special they are! Purchase garden posts for $1.00 each and write an affirmation to your favorite friends, teachers, or administrators ... even mom and dad, grams and gramps, or parents send one to your very own child! In addition to a personalized affirmation which will be delivered, you will have the opportunity to place a marker in the garden and plant some wildflower seeds in honor of that person. Get involved and watch the love grow at Oakbrook Elementary School. Posts are available for a limited time so be sure to plant your special sentiments soon!

Your Name: _____ Your Teacher's Name: _____

Who is your affirmation for? _____ Who is that person's teacher? _____
