Dear Parents/Guardians,

OES students in 3rd - 5th grade will be participating in the SC Ready Field Test and the SC Ready Assessments on the dates as indicated below. We will begin testing promptly at 7:30 a.m. as this will allow for ample time for students to complete the test.

April 7th - Field Test

April 25th - **3rd** grade Writing

April 28th - **3rd** grade Reading

May 10th - **4th** and **5th** grade Writing

May 12th - **4th** and **5th** grade Reading

May 16th - **3rd** grade Math

May 18th - **4th** and **5th** grade Math

May 20th - **4th** grade Science

Tips for Preparing Your Student:

- Ensure that your child's device is fully charged for each day of testing. NOTE: In preparing for the SC Ready, please make sure you completely shut down the student device the night before testing and charge it through the night. It would also be helpful to have students bring their power cord to school on the testing day.
- Please be sure that your child is on time. We will begin testing promptly at 7:30 am.
- Make sure your child gets plenty of rest and eats breakfast (at home or prepared to eat at school).
- Explain to your child the purpose of the assessments and help your student approach testing in a relaxed and positive way.

Please do not hesitate to reach out if you have any questions at all.

Thank you,

*Kim Boutin*
