Dorchester School District Two
Leading the Way: Every Student, Every Day

SUMMER 2020 INTERNSHIPS
BOEING SOUTH CAROLINA

Accelerate Your Career with Boeing South Carolina

Dorchester School District Two is thankful to partner with Boeing South Carolina to offer internships for DSD2 high school seniors interested in learning about the airplane manufacturing industry.

Students confirmed for this opportunity will be assigned to work at various Boeing locations and support a number of roles including materials management organization, tooling, reclamation of parts, and administrative work. DSD2 rising seniors applying must be available from 8am to 4pm, Mon – Fri without interruption from June 12 – Aug. 6, and have reliable transportation to and from their assigned location.

DSD2 students interested in applying for this work-based learning opportunity to have paid on-the-job training, earn a high school credit, and forge valuable professional relationships should apply by email. Please follow the steps seen in the Boeing Summer Internship Opportunity Information Sheet.
