Science Research with Discus

1. Go to scdiscus.org
2. Click “By Subject” and then “Science and Technology

Today you will work in each of the following:

**DK Eyewitness Books** – these are eBooks

![DK Eyewitness Books](image)

**Learn360** – You can look at videos, articles, encyclopedia, and several other options!

![Learn360](image)
Science Reference Center – Go immediately to “Advanced search” so we can sort the results by Lexile.

When you have found information you need, copy and paste it into a Word Doc in OneDrive.

**Make sure you have the citation you got from the “cite” option**

Give credit to who said it!
