SES Families-

It is beginning to feel like Fall...well, kind of! Even though the weather is still a bit warmer than I would like it to be, I am still so excited about everything the upcoming month has in store for our students!

First of all, we begin our Clubs this month. All kindergarten through fifth grade students at SES will participate in a club this year. Teachers have worked hard to develop club topics that are interesting and innovative for students. This year, students will make healthy treats in our Power Snacks Club. Other students will develop a love for art and a heart for kindness in our Rock Painting Club. Other club topics include directed drawing, STEAM activities, coding, robotics, sports, and many more! Be sure to ask your child which club he or she is in!

Another exciting event in store for you this autumn is our PTA Fall Festival on October 18. The event begins at 5:00 p.m. and ends at 7:00 p.m. There will be something engaging for everyone in the entire family. Carnival games will bring smiles to the faces of all children. Check out the silent auction or the vendors to get a jump on your holiday shopping. Dinner will be served. Pumpkin decorating, choral and percussion performances, and a hayride are also planned. You do not want to miss this amazing night!

Thank you for everything you do each and every day to support your children and our school. We are so blessed at SES!

Love,

Mrs. Barker

Mark your calendar!!!
Festival will include
Jump Castles, Games, Venders, Food
Fun for the whole Family!!!!

TECH TALK

It's Time to Have "The Talk"

You don't have to be an expert on texting, Instagram, Minecraft -- or whatever else your kids are into -- to have The Talk. Start by reading up on what's going on in your kids' world (for younger kids and older kids). Ask them to show you what they like online, and why. Make sure to listen :)

Then, express a few basic expectations, with the understanding that this isn't a one-and-done kind of chat. Good luck (you'll be fine)!

Free Vision Screening

On October 22 and 23 a FREE VISION SCREENING by the Lions Club will be offered to your child. The screening consists of an instant electronic scan of your child's eyes to determine the presence of six eye disorders. This scan takes less than a minute. No physical contact is made with your child, and no eye drops are used. An information sheet will be sent home soon.

We are looking for talented individuals to join Team Nutrition!

Dorchester School District Two is looking for talented individuals to join Team Nutrition! Great hours with holidays, weekends and summers off. Applications can be found online at the link below.
https://www.applitrack.com/dorchester/onlineapp/_application.aspx
