

I hope that you and your family are safe during this COVID-19 pandemic. In order to minimize make-up days, we are providing distance learning for our students. This material will be primarily online, but is available in print at the school's office, if needed.

ALGEBRA 2 DIRECTIONS

Students in all Algebra 2 classes will have units to complete online on APEX Learning. Students can access APEX by signing into Clever (<https://clever.com/in/dorchester2>) with their full school email and password (click on "Log in with Active Directory"). This is the same login information that students use with computers at school. Then choose **APEX**. Along with completing **unit 7 on APEX**, students will also have **District Review Questions** to complete, which will provide continuous review on previous and current material. Students must provide their work for the District Review Questions when we return to school.

****SEE THE APEX CHECK LIST IN THE DOCUMENTS BELOW! SOME SECTIONS HAVE BEEN ELIMINATED.****

Assignment (do all study guide, quiz and test for the following sections)	Date Due	Completed
7.2 Rational Expressions	3/18
